07/24/2024 1:55 pm EDT

Do you have an idea that you would like to see added to DrChrono? Well, we would love to hear about it!

Please go to our DrChrono Feedback page to post your idea, and then vote on it. Other DrChrono customers can vote the idea "up" as well. If a suggestion gets enough votes, we may consider adding it to our software.

We check these daily, and welcome every and any suggestion to help keep DrChrono the best EHR on the market!
