

# Forgotten Password: How do I reset my password?

07/24/2024 2:45 pm EDT

If you are locked out of your account, you may reset your DrChrono password at the login screen. For logged-in users, the login screen will redirect you to either your dashboard or calendar, based on your account settings.

To change your password while logged in, please refer to this guide: [How do I change my DrChrono password?](#)

**Note:** Only a user can reset their password. Practice administrators can not reset passwords.

1. Visit the DrChrono login screen found here: <https://app.drchrono.com/accounts/login/>. Here, click on the **Forgot Password** link.

Log in to your EHR

You're receiving this email because you requested a password reset for your user account at [drchrono.com](https://drchrono.com).

Please go to the following page and choose a new password:

<https://drchrono.com/accounts/password/reset/MTlyMjc2/4k6-01ac4d81dc0c96b58ba6/>

Your username, in case you've forgotten: tyour

Thanks for using our site!

The [drchrono.com](https://drchrono.com) team

4. You'll be brought to a page that allows you to type in a new password. Type in your new password and type in the same password again in the **New Password Confirmation** field. Finally, click **Change my password** and your password will be changed.

## Set a new password

Please enter your new password below.
