Task Center Overview (Video)

07/24/2024 9:31 pm EDT

DrChrono's Task Center makes it easy for you to assign tasks in your account to providers, staff members or groups. This video overview shows you how to:

- Navigate the task center
- Add tasks from scratch
- Create tasks from a template
- Create templates
- Add tasks from a patient's chart
- Edit tasks
- Archive tasks
