Support PIN	<p>We're thrilled to announce a more secure identity-proofing process and a smoother and more efficient support experience! Beginning on May 23, 2024, we'll introduce Support PINs for contacting our support team.</p> <p>When you contact DrChrono's customer support, you'll simply need to provide a 4-digit auto-generated Personal Identification Number (PIN) for account identity verification. Our support staff will use this PIN to confirm your identity, ensuring a smooth and efficient support experience whether you reach out via phone call, ticket, or email.</p> <p>Stay tuned for further updates in our release notes and changelog announcements.</p>	<p>Learn more about Support PINs here.</p>
Two-Factor Authentication (2FA) with Authy	<p>To further protect your account, we'll encourage all users to enable two-factor authentication (2FA) starting May 13th.</p> <p>Beginning May 13th, when you log into your account, you may see a prompt encouraging you to enable 2FA. Remember, setting up 2FA is entirely your choice, but we highly recommend it for its added security. If you would like to enable 2FA early to prevent getting an alert, you can follow the steps outlined in this article: How do I set up Two-Factor Authentication (2FA) in my account?</p>	<p>Two-Factor Authentication</p>
