

Billing Profiles and Fee Schedules

07/24/2024 12:34 pm EDT

When creating your billing profiles, the system will automatically pull in the price listed on your fee schedule, or you can override this price and enter a billing profile-specific price.

To set up a billing profile, please refer to this [article](#).

After navigating to **Account > Custom Fields > Billing Profiles > Add New Profile**, this is the screen you will see.
