# Good Faith Estimate: Creating a new estimate

07/24/2024 3:00 pm EDT

Here is how to create a new Good Faith Estimate in DrChrono:

- Navigate to a patient's chart by navigating to Patients > Patient List or by selecting their name or chart id in the top right of the screen.

- On the left menu, select Patient Cost Estimator

- Select **+ New Estimate** on the right

Patient Cost Estimates

Title	Date Created	Date Updated	State	Type	Creator	Action
No estimates yet						

+ New Estimate
