# Good Faith Estimate: Can I rename an existing estimate?

07/24/2024 3:00 pm EDT

The short answer is, yes, absolutely!

- Navigate to the patient's chart and select Patient Cost Estimator and identify the estimate that you would like to update.

- Click on the three horizontal lines on the right of the screen and select Rename.

- A screen will open that will allow you to update/add to the name. Click Confirm when you are done.
