UB04 Box 66 - Procedure Code Qualifier

07/24/2024 9:51 pm EDT

On both professional and institutional claims, the billing provider must disclose whether ICD-9 or ICD-10 codes are being utilized.

Since October 1, 2015 claims have been required to use ICD-10 coding. DrChrono will automatically print procedure code qualifier "0" to indicate that ICD-10 codes are being used.
