HCFA 1500 Boxes 14 & 15: Initial Visit and Onset Dates

07/24/2024 3:10 pm EDT

DrChrono allows you to set an initial visit date for your patient so that you can have this automatically populate on your HCFA-1500 forms. To set the initial visit date please follow these instructions:

1. Navigate to the patient's chart

2. Go to the Insurance tab in the Demographics section and then navigate to the Primary Insurance section
