HCFA 1500 Box 19 - How Do I Add a Billing Note

07/24/2024 3:05 pm EDT

Occasionally, you might need to add extra information to Box 19 on the HCFA claim form that will be transmitted to the payer with the claim. DrChrono makes it easy to add whatever you need.

Once inside of the appointment (**Billing > Live Claims Feed**), you will see a box on the right side of the screen, about halfway down titled **EDI Billing Note**.

When you click in the box, a text box will open that will allow you to type whatever information you need to populate in box 19.
