

Submitting claims to multiple Workers' Compensation Insurances

07/24/2024 9:26 pm EDT

To submit claims to multiple workers' compensation insurances, or for multiple workers' compensation injuries, you will need to submit a ticket to the [support team](#) to have the "multiple primary" feature enabled. Once the request is processed and the feature is activated, please follow the steps outlined below:

1. Please select a patient and navigate to the demographics screen.
2. Add the workers' compensation insurance information in the **Worker's Comp** tab and click **Save Demographics**.

8. Under the **Billing** tab on the patient's appointment window, select the **Primary Insurer** dropdown. From here, you can select which payer needs to be billed for this appointment.

10. Click on Save.

You will also have the option to update which payer the claim should be sent to in the Live Claims Feed. (**Billing > Live Claims Feed**)

ICD Version ICD-10
Primary Insurer - Default -
Secondary Insurer - Default -

If you do not see the multiple payers under Primary Insurer (from the appointment or Live Claims Feed view), check to make sure that the payment profile is listed as Workers' Compensation.
