

# DrChrono Payments: Setting up on OnPatient

07/24/2024 2:00 pm EDT

Once you are set up and accepting payments through DrChrono Payments, you can designate it as the processor for all patients who submit payments via their OnPatient account.

- Navigate to Account > Provider Settings > Patient Payments

Account Marketplace

**ACCOUNT SETTINGS**

- User Settings
- Provider Settings**
- onpatient Settings
- Account Setup
- Custom Fields
- Copy Dashboard (Beta)
- API
- App Directory

**PRACTICE SETTINGS**

- Offices
- Facilities
- Staff Members
- Staff Permissions
- eRx Settings

## Account Settings

Profile General Email Medical Billing eRx Info Services Usage Sample Data Security Patient Payments

- Under the OnPatient heading, you can select DrChrono Payments from the payment default dropdown.

Allow onpatient payments  Allow patients with onpatient access to make payments through the onpatient portal

onpatient payment default

Minimum onpatient payments  Set minimum amount for payments from onpatient

- Once you have made your selections, click on Update Entire Profile.

Update Entire Profile

Now when your patients submit payments through their OnPatient account, they will process under DrChrono Payments.
