

DrChrono Payments: Stripe reporting

07/24/2024 2:05 pm EDT

Within your Stripe portal, you will have access to a variety of reports, including daily transactions as well as historical data. You will also be able to select the columns you would like to see.

The balances report will allow you to reconcile with your bank account. The descriptor you will see on your bank statement is "Stripe".

You can also export the report by clicking on the button on the top right of the screen.

The screenshot shows the Stripe dashboard with the 'Balances' section selected. The 'Balances' menu item in the top navigation bar is highlighted with a blue box. Below the navigation bar, the 'Balances' title is displayed, and the 'Payouts' sub-tab is also highlighted with a blue box. On the right side, the 'Export' button is highlighted with a blue box. The main content area shows a table of payouts with columns for AMOUNT, BANK/CARD, and DATE. Two rows of data are visible, both showing a payout of \$4.52 to CHASE Bank on May 24 and May 23. The table also includes filter buttons for Date, Amount, and Status.

AMOUNT	BANK/CARD	DATE
\$4.52 Paid	CHASE Bank **** 9385	May 24
\$4.52 Paid	CHASE Bank **** 9385	May 23
