INTERNAL: DrChrono Payments - How do I know who is the processor for an account?

07/24/2024 5:40 pm EDT

The back-end processor could be World Pay or Stripe for clients utilizing DrChrono Payments (DrCP/Paysimple). Here is how you can tell which one the client is using.

- On the front CRM screen, in the bottom right corner, you can see if DrChrono Payments (DrCP) is enabled and which backend processor is used.
