

How to Bulk Adjust Claims

07/24/2024 4:40 pm EDT

If you have multiple claims to adjust to zero, you can do it quickly and efficiently by following the steps below:

- First, you will need to enter a setting under **Account > Provider Settings > Medical Billing**.
- It is listed under the Miscellaneous heading and is labeled **Balance Writeoff**.
 - Here you can select patient or insurance (or both) balances to automatically adjust when the claim status is changed to **Settled**.
 - Here is a help desk article that will walk through the process of entering this edit. ([link](#))
 - You will only need to set this edit once unless you want to make any changes to it.

Once the edit is set, you can adjust claims in bulk.

- Navigate to **Billing > Live Claims Feed**.
- Identify the claims you would like to adjust. You can use the edits to select by billing status, claim status, date range, office, provider, payer, or other parameters.
- Select the claims individually by clicking on the empty box to the left of the claim ID, or in bulk by clicking on the empty box on the header row to the left of the claim ID.

The screenshot shows the 'Live Claims Feed' interface in the Chrono software. The interface includes a navigation menu on the left, a search bar at the top right, and a main table of claims. The table has columns for RCM, Info, Claim ID, Patient, Date of Service, Office, Provider, Supervising Provider, Billing Provider, and various financial and status columns. A blue box highlights the 'RCM' column header, and a blue arrow points to the 'Batch Status Change' dropdown menu above the table. Another blue arrow points to the 'Not Submitted' status in the 'Ins 1 Status' column for the first row. Annotations include: '1: Select all the claims you want to write off balances for' pointing to the RCM column, and '2: Bulk Edit the status for these claims to Settled' pointing to the status column.

RCM	Info	Claim ID	Patient	Date of Service	Office	Provider	Supervising Provider	Billing Provider	Billed	Allowed	Adm. Paid	Ins 1 Paid	Ins 2 Paid	Pt Paid	Ins Bal	Claim Bal	Exp Reimbr	Ins 1 Status	Ins 2 Status	First EDI	Last EDI	Service Notes	Billing Notes

- Next, select the drop-down arrow on the **Batch Status Change** box, just above the yellow header row.
- Select **Settled**.
- A **Confirm Bulk Status Change** box will appear.

Confirm Bulk Status Change

X

Please confirm batch status change of 72 claims to Settled.
