# Editing the Preset Clinical Forms in DrChrono

07/24/2024 11:44 am EDT

To get to the Form Builder select **Clinical** > **Form Builder**.

You can edit any of the preset clinical forms in your DrChrono account. The preset forms are located in the **Form List**.

Select the form you would like to edit. You can add or remove any existing fields. You can change any of the fields to fit with your clinical documentation workflows.

When you are finished with your edits, click **Save** at the bottom of the page.
