

# Ordering DME (Durable Medical Equipment)

07/24/2024 7:05 pm EDT

Ordering DME in DrChrono is a similar process to sending a prescription.

1. Navigate to the patient's chart to the **Send eRx** page. Select **Supply**.

The screenshot shows the DrChrono patient chart interface. The top navigation bar includes 'Schedule', 'Clinical', 'Patients', 'Reports', 'Billing', 'Account', 'Marketplace', and 'Help'. The patient information section displays: Chart ID: LETA000001, Primary Provider: Donna John, Date Added: Feb. 7, 2018, Last Scheduled Appt: Jun. 10, 2024, Next Scheduled Appt: Jun. 13, 2024. The 'Send eRx' menu item is highlighted in green, and the 'Supply' option is selected in the 'New Prescription' form. The 'Medication\*' field is empty.

2. In the medication box, you can search for DME.

The close-up screenshot shows the 'New Prescription' form with the 'Supply' type selected. The 'Medication\*' search box contains the text 'boot'. A dropdown menu displays the following matches for 'boot':

- Coverall **Boots**/Disposable/Univ Miscellaneous
- Curity Unna **Boot** External Miscellaneous DEHP FREE, LATEX FREE, NON-STERILE, SINGLE USE
- Exu-Dry **Boot**/Foot Child External Miscellaneous MEDIUM
