

# Managing your Favorite Pharmacies

07/24/2024 6:40 pm EDT

With DrChrono, you can set pharmacies as favorites to search for pharmacies rapidly while sending e-prescriptions. Favorite pharmacies apply to all your patients and serve as a convenient way to keep track of all popular pharmacies within your office's area.

## Managing Your Favorite Pharmacies

1. To manage your favorite pharmacies, you need to access your eRx settings. Navigate to **Account** then select **eRx Settings**.

2. When you reach the eRx settings page, select the tab labeled **Favorite Pharmacies**. You'll see a list of your current favorite pharmacies. To add a new pharmacy to your favorites, select the (

) button in the upper right-hand corner.
