

Check Your MIPS Participation Status

07/24/2024 1:10 pm EDT

You can verify your eligible clinician participation status through the [QPP Participation Status tool](#).

You will need the NPIs of all of the providers you need to check.

If your practice is planning on group reporting, be sure to check and take note of clinicians who are only eligible for group reporting (PA, NP, etc). They will often be required to report if you report as a group.

1. On the QPP look-up tool, enter the NPI of the provider you need to check. Be sure to select the correct participation year (PY).
