

(2024) High Priority Practices Guide of the Safety Assurance Factors for EHR Resilience (SAFER) Guides

07/24/2024 11:44 am EDT

You can attest to the completion of the SAFER self-assessment measure in your Healthmonix MIPSpro account.

Conduct an annual assessment of the High Priority Practices Guide SAFER Guides beginning with the 2024 performance period.

Reporting Requirements (YES/NO)

To meet this measure, MIPS eligible clinicians must attest YES to conducting an annual self-

assessment using the High Priority Practices Guide of the SAFER Guides

<https://www.healthit.gov/topic/safety/safer-guides> during the 2024 performance period.

In your Healthmonix MIPSpro account, you can attest to the measure. Click **Save** when finished.
