You can always open up the Message Center by clicking the envelope icon (

) on the top right of the toolbar, and your fax number will be shown in the top right of the screen.

The screenshot shows the DrChrono interface. At the top, there is a navigation bar with tabs for Schedule, Clinical, Patients, Reports, Billing, Account, and Help. On the right side of the navigation bar, there is a search bar and a notification area showing 13 unread messages and 37 total messages. Below the navigation bar, the left sidebar contains a list of message categories: ALL MESSAGES (12), Incoming Messages (12), Starred, All Messages (13), FAX, Incoming Fax (2), Outgoing Fax, LAB RESULTS, Lab Results, and ERX. The main content area is titled "Incoming Messages" and features a "Fax number: +1 (801)" label with an arrow pointing to it. Below this, there are buttons for "Mark as Read", "Mark as Unread", and "Show Archived", along with a "NEXT" button and a "Search Messages" input field. A table of incoming messages is displayed below:
