

# Adding Implantable Device Information to a Patient's Chart

07/24/2024 12:04 pm EDT

You can add an implantable device to a patient's chart under the **Implantable Devices** section. Click **Add Implantable Device**.

The screenshot shows a vertical navigation menu on the left with various patient chart sections. The 'Implantable Devices' section at the bottom is highlighted in green and has a black arrow pointing to it from the right. To the right of the menu, the 'Implantable Devices' section is displayed with the text 'No Implantable Devices.' Below this text is a legend with three colored squares: a green square for 'Active', a red square for 'Inactive', and a grey square for 'Archived'. At the bottom of this section is a blue button labeled 'Add Implantable Device'.
