How to find your inactive patients?

07/24/2024 5:10 pm EDT

You are not able to delete a patient in DrChrono, but you can make them inactive. You can find out how to do that by going here. When a patient is set to inactive they will no longer show in your patient list.

If you would like to see the list of inactive patients please follow the below steps.

1. Go to **Patients** > **Patient List**.

Patients	Reports				
PATIENT					
Patient Lis	t				
Consent F	orms				
Patient Fla	Patient Flags				
Patient Gro	oups				
Send Ema	il				
Send Refe	rral				

2. Click on the More Filters button at the top right corner of your screen.

Schedule Clinical	Patients Reports	Billing	Account	Help	÷.	×			Search	🛂 🔜	1
	PATIENT										
Manage your	Patient List	nts	?				Bulk Import	QRDA I Import	Export (CSV)	Export (C-	-
0,	Consent Forms		_								1
Patient search	Patient Flags									More Filter	rs

3. Select **Inactive Patients Include** having the inactive patients included in your list with all of your active patients. If you would like to view **only** inactive patients, select **Inactive Patients Only**.
