

# Adding Race Subcategory to a Patient's Chart

07/24/2024 12:09 pm EDT

You can add detailed self-identifying demographic information for race and ethnicity to a patient's chart. DrChrono offers a comprehensive list based on CDC guidelines.

Navigate to the patient's chart and select the **Demographics** tab. Click the **Race Subcategories Options**.

**+ Add new patient**

**Demographics**
