How to Build an Appointment Profile

07/24/2024 4:40 pm EDT

Appointment profiles save you time by automatically adding duration, the reason for the visit, color coding your appointment, and even adding your billing profiles automatically.

Here is how to set them up:

• Go to Schedule > Appointment Profiles.

Schedule	Clinical P				
SCHEDULING TOOLS					
Calendar					
Availability Search					
Appointments Dashboard					
Dashboard					
Appointment Profiles					

• Select Add New Profile to create an Appointment Profile. Create an Appointment Profile for the types of visits you see patients in your office.

Appointment Fields Custom Appointment Profiles					i Sort (A-Z)	Show Archived	d Profiles	H Add New Pro			
Appointment Profiles		Name	Color	Duration	Reason For Visit	Billing Profile	Payment Profile Eligib	ility Profile Consent Forms	Updated	Greated	
ppointment Statuses	=	Followup Visit		30 minutes	Followup Appointment	Existing Patient Visit		0	Jun 30, 2020	Jun 25, 2020	🕀 History
ppointment Templates	=	TeleHealth Visit -		15 minutes	Zoom Call with patient			2	Jun 30, 2020	May 18, 2020	🕀 History
Silling Profiles	=	Breast Augmentation New Patient		30 minutes	Breast Augmentation			2	Jun 30, 2020	Jan 17, 2020	🕀 History
gibility Profiles tient Demographics	=	Initial Psychiatric Visit		60 minutes	First visit with office			0	Sep 4, 2020	Sep 4, 2020	🖴 History
atient Flag Types	=	Deep Tissue Massage		45 minutes	sore muscles		Insurance Out of Network	0	Jun 30, 2020	May 11, 2018	🕀 History

• Once a pop-up appears, fill in your desired information and hit Create.
