

# How do I hide breaks from my appointment list on the iPad?

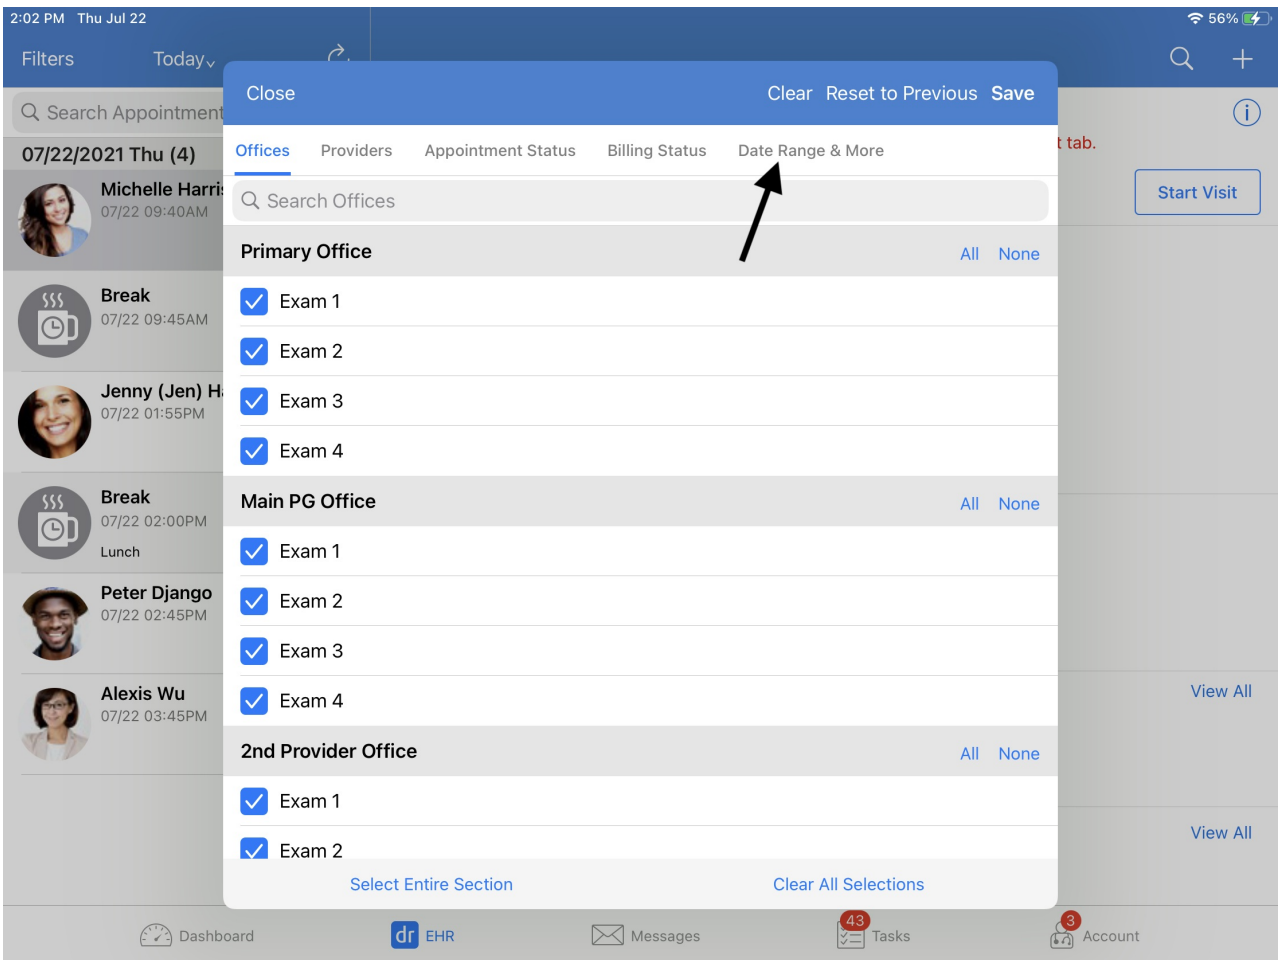

07/24/2024 4:05 pm EDT

In the EHR app, breaks will be displayed alongside your appointments. If you would not like to see breaks listed here, you may remove those breaks from sight using your filters.

1. To remove breaks, tap on the **Filters** option in the upper left-hand corner of the appointments list.

The screenshot shows the EHR app interface on an iPad. At the top, there's a blue header with the time '2:00 PM Thu Jul 22' and a battery level of '56%'. Below the header, there's a search bar and a 'Filters' button. The main content area is divided into two columns. The left column shows a list of appointments for '07/22/2021 Thu (4)'. The appointments listed are: Michelle Harris (07/22 09:40AM, Exam 1), a Break (07/22 09:45AM, All Exam Rooms), Jenny (Jen) Harris (07/22 01:55PM, Exam 1), another Break (07/22 02:00PM, All Exam Rooms, Lunch), Peter Django (07/22 02:45PM, Exam 1), and Alexis Wu (07/22 03:45PM, Exam 1). The right column shows the detailed view for Jenny (Jen) Harris, including her profile picture, name, gender, age, and date of birth. It also includes a 'Start Visit' button and sections for 'Appointment Details', 'Appointment profile', 'Billing Details', 'Patient Flags', and 'CDS Matches'. The 'Appointment Details' section shows the appointment date and time, and the 'Appointment profile' section shows the office, provider, and appointment status. The 'Billing Details' section shows the payment profile, co-pay, and total payment. The 'Patient Flags' section lists flags like 'Auto Accident', 'Gestational Diabetes', and 'Must lay down for blood draw'. The 'CDS Matches' section lists matches like 'Mammogram screening for all women aged 40-74' and 'Adult Immunization Schedule Age: 27-49'. At the bottom, there's a navigation bar with icons for Dashboard, EHR, Messages, Tasks, and Account.

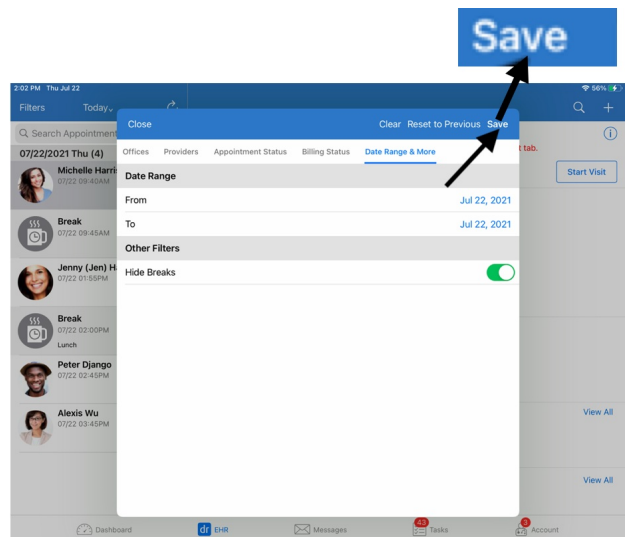

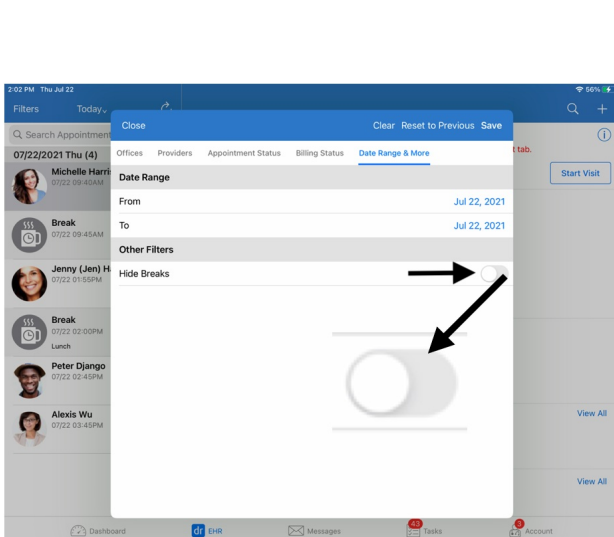

2. In the filters page, select the **Date Range & More** tab.

3. Activate the switch (

) and select **Save**.

4. The breaks will be removed from their schedule.
