

# How do I remove items on my patient's appointment detail view?

07/24/2024 4:15 pm EDT

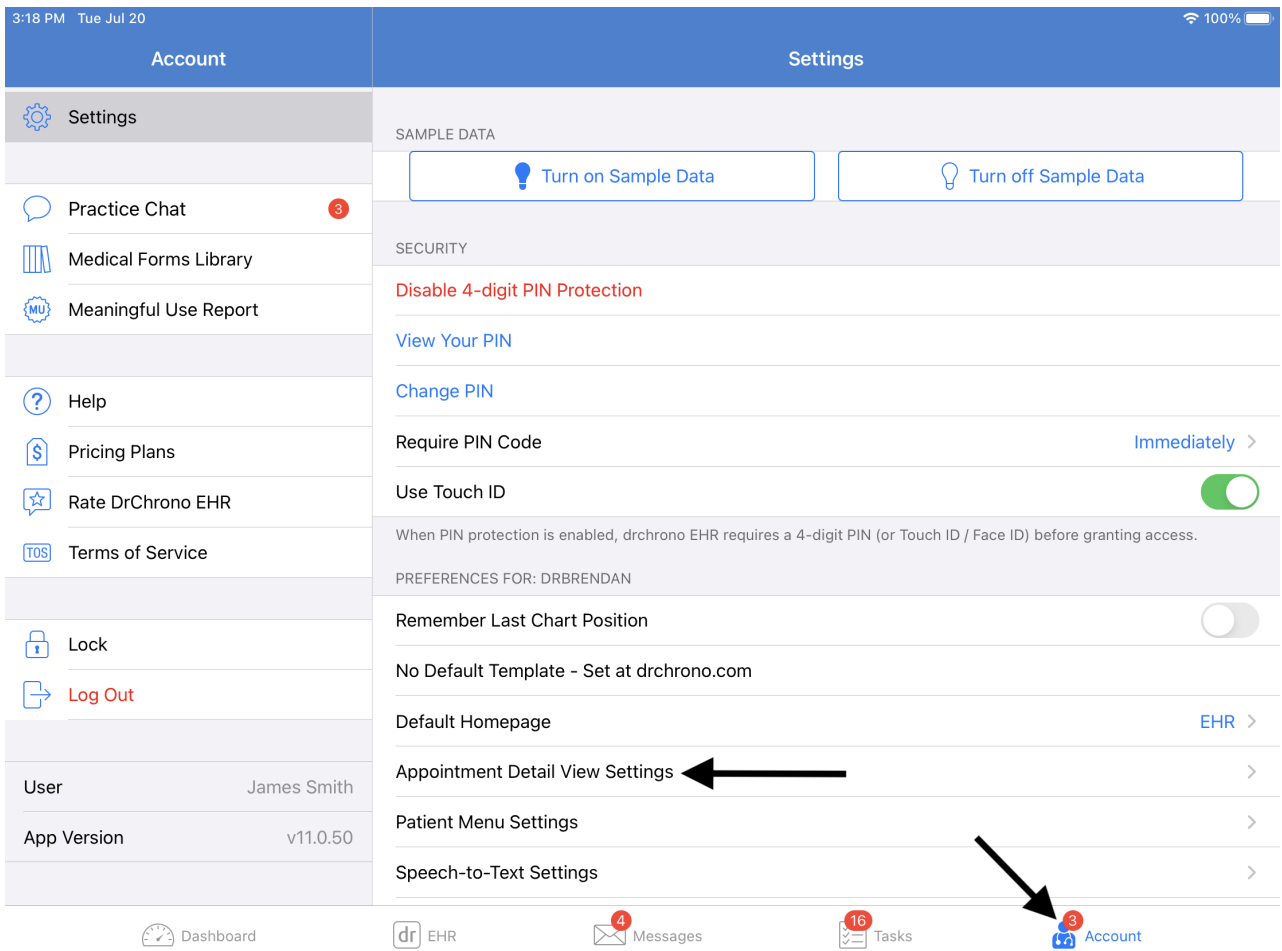

In the iPad EHR app, all your appointment information is viewable in the Appointment Detail View pane underneath your patient's basic information. To customize this area, you can rearrange or add/remove fields.

The screenshot shows the iPad EHR app interface. At the top, the status bar displays the time (2:02 PM), date (Thu Jul 22), and battery level (56%). Below the status bar, there is a navigation bar with 'Filters', 'Today', and a refresh icon. A search bar labeled 'Search Appointment' is present. The main content area is divided into two columns. The left column shows a list of appointments for '07/22/2021 Thu (4)'. The right column shows the 'Appointment Details' for 'Michelle Harris (Female | 21 | 10/14/1999)'. The 'Appointment Details' pane is highlighted with a black border and contains the following information:

- Appointment Details:** 07/22 09:40AM, 30 minutes
- Appointment profile:** None Selected
- Appointment Status:** None Selected
- Office:** Primary Office
- Exam Room:** Exam 1
- Provider:** Brendan Wilberton
- Billing Type:** ICD-10
- Billing Details:** Payment profile: Cash; Billing Status: None Selected; Co-Pay: \$0.00; Total Payment: \$0.00
- Patient Flags:** No Flags
- CDS Matches (1):** 1. Adult Immunization Schedule Age: 19-21
- Vitals:** Temperature, Pulse, Blood Pressure, Respiratory Rate

At the bottom of the screen, there is a navigation bar with icons for Dashboard, EHR, Messages, Tasks (43), and Account (3).

To remove fields in the Appointment Detail View pane, access the **Account** section in your navigation bar, select the settings tab, and tap **Appointment Detail View Settings**.

Here, you can toggle switches based on which fields you would like to remove. A green switch (

) indicates that the field will appear in the Appointment Detail View pane and a grey switch (

) indicates a hidden field. Tap the switch of the detail you would like to remove.
