

Signing and Locking a Clinical Note on the iPad

07/24/2024 9:16 pm EDT

To sign a note in the [EHR/EMR app](#), you need to have started a visit and filled out the H&P/SOAP or Additional forms for a patient.

After all your templates have been filled out, select **View Complete Note** at the bottom left-hand side of the page.

Read over your note to verify its contents then select **Sign & Lock** in the upper right-hand corner of the page.
