

How do I search for a pharmacy by zip code on the iPad?

07/24/2024 4:20 pm EDT

The [EHR/EMR app](#) can be used to send patient prescriptions to pharmacies electronically.

To begin searching for a pharmacy by zip code, open the pharmacy search on your prescription page. The pharmacy search is located at the bottom left-hand side of the prescription page, indicated by a magnifying glass (

).

In your pharmacy search, select **Ignore Location** under **Origin**.

After you select **Ignore Location**, the zip code box will appear. Type in the zip code you would like to search in, then narrow your search further by selecting order type and entering a pharmacy name.
