# Adding a patient through the iPhone EHR app

07/24/2024 12:14 pm EDT

DrChrono makes it easy to add a new patient to your practice right from your iPhone.
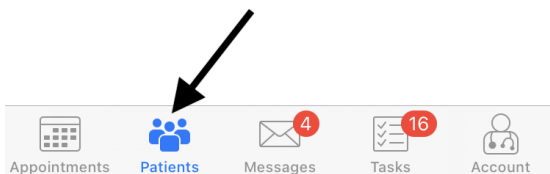

Here's how:

- After logging in, select **Patients** from the bottom menu. Tap the plus (

) icon to add a new patient.

- Fill out the patient's information and select **Save**.

Cancel   **New Patient**   Save
