# Accessing Your Health Profile through OnPatient

07/24/2024 11:54 am EDT
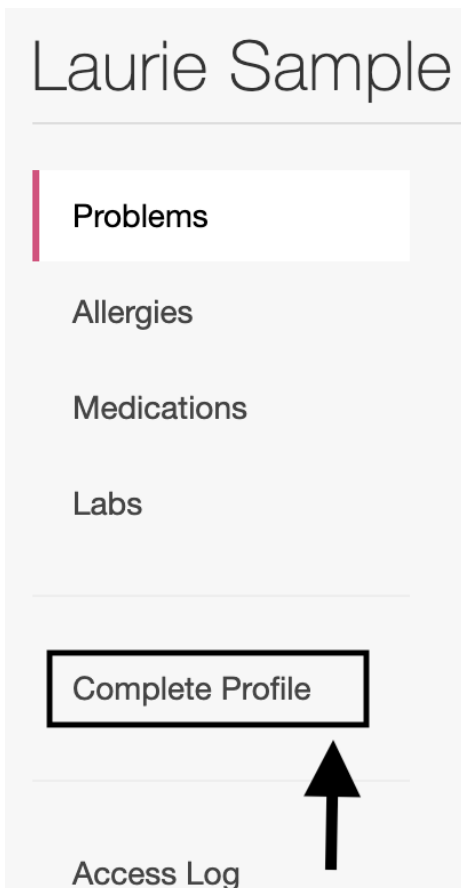

You can easily view, save, or print your clinical summary through your OnPatient portal.

Viewing your clinical summary directly on the website

1. Log in to your OnPatient account.

2. Select **Health Profile**.

3. On the left-hand side of the page select **Complete Profile**.

4. The full clinical summary will now appear for you to view.
