How do I change the email address associated with my OnPatient account?

07/24/2024 3:45 pm EDT

1. To change the email address associated with your OnPatient account, log into the OnPatient portal and click on your name at the top right of the screen, as pictured below.

© onpatient	Appointments	Doctors	Billing	Messages	Docum	nents	Health Profile	\rightarrow	Laurie Sample	•
Appointmer	nts							Book Video Visit	Book Appointm	nent
2. Next to the M	ly Email fiel	d, click E	Edit.							
onpatient	Appointments	Doctors	Billing	Messages	Docum	nents	Health Profile		Laurie Sample	•
Settings									Representati	ives
My Email						Ν	ly Password			
sample@sample.com			I	Ed	lit				Ed	it
My Name						F	HIR API Application Management		API Documenta	ation
Laurie Sample				Ed	lit	0	application		Ed	it

3. You will then be prompted to enter your account password and new email address information **Save Changes** to confirm the desired account changes.
